SECRET

3 December 1964

NOTE TO: Mr. Bannerman

1. The subject of the attached request was denied the normal opportunity to attempt to locate quarters soon after arrival at his overseas post by an Agency requirement that he spend approximately half his initial period overseas in a TDY status. In addition, the employee's family is of a size that makes a four-bedroom apartment or house necessary to meet his needs. Such
25X1A quarters are extremely difficult to locate in [redacted] With the responsibility of caring for the four children, the employee's wife was unable to engage in any substantial "House Hunting" until the employee had completed his TDY absences. Given these facts, we believe that the granting of special provisions to cover the extended temporary lodging costs for the employee is warranted.

2. It is recommended that you authorize payment of a Special Quarters Allowance at the rate of $19 per day to commence in November 1964 and to cease on 1 January 1965, per the attached.
